## Drop and Go System

Commencing on Monday, 13th October, we will be operating a 'drop and go' system in our school car park in the mornings. A one way system will be implemented with cones marking the direction of travel around the pre-existing lines painted on the ground. Parents are asked to stay in their cars and children will exit the car at the drop off point before making their own way into their class. The importance of our staggered start times cannot be understated in ensuring a steady flow of traffic so please stick to these as best as possible (see timetable below). We hope that this will promote further independence in our children and help with separation issues which some families are experiencing. We appreciate your patience and cooperation on this to help ensure our morning drop offs are as safe and as smooth as possible. Please see the visual explanation of the system below.

**Please note that collections at the end of the school day will remain as they are currently. Please be considerate of other families when parking and driving on school grounds.**

## FSM & UNIFORM ALLOWANCE

Have you applied to the EA for a Free School Meals and Uniforms Allowance yet? You may be entitled to some assistance. Even if you do not intend using the school meals service, please apply as it can assist the school with securing additional funding.

## WEBSITE & SEESAW –

Please check our website [www.gaelscoilnambeann.com](http://www.gaelscoilnambeann.com) and Seesaw regularly for any up-to-date information regarding our school. Some of you still have not signed into your SEESAW account and we would recommend that you do so as soon as possible. **If you do not know your seesaw login details, please contact us via email and we will get them for you.**

## Focus on Rang 6&7 Week

### Fun Learning

This week Rang 6 and 7 were learning about 2D shapes, coding (building with Lego and coding them into the Ipad to make them move and light up) and about Natural Disasters. Who ever said school wasn't fun?
