Covid 19

Covid-19 infection remains high in this area and in the school community. DE guidance recommends regular testing (at least twice weekly) for school children. Lateral Flow Test kits can be ordered here: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>.

If your child(ren) have been in close contact with a positive case they should test daily, **before coming to school**, for 10 consecutive days. Please see the following link for updated guidance from NI Direct. <https://www.nidirect.gov.uk/articles/coronavirus-covid-19-self-isolating-and-close-contacts>
