Post Primary Admissions

To improve and simplify the process of notifying parents of the outcome of their child's application, it is planned that an email will be issued to parents on the morning of Saturday, 21 May 2022. Therefore, **parents do not need to log in to the online portal on 21 May to find out where their child has been offered a place.**

Depending on the outcome of their child's application parents will receive one of three emails:

1. Child is selected by the school of first preference; or
2. Child is selected by a school which is not the first preference; or
3. Child is not yet placed in a school.

Signposting within each email will guide parents to advice and support, where needed.
