Safer Schools NI App

Safer Schools NI is an app that provides regular safeguarding advice to you as parents relating to the online safety of your children. It has been developed in conjunction with the Department of Education and sends nuggets of information, warnings and useful information direct to your device, assisting you to keep your child safe online.

As part of Safer Schools NI, our school gets access to a customised version of the Safer Schools NI App! First things first – download your Safer Schools NI App by visiting the Apple App Store for iOS devices, or Google Play Store for Android devices. When prompted, parents should use the login code 3243. An age appropriate version of the app is also available for Rang 6/7 pupils which they can download to their personal devices. When logging on, Rang 6/7 pupils should use the code 0132.
