What is Footsteps in the Forest?

Once again celebrating the Gaelic festival of Samhain (Sow-in), which marks the harvest season's end and the beginning of winter, the six-day festival will see Slieve Gullion transformed into the 'otherworld'.

Historically celebrated throughout Ireland, Samhain is steeped in tradition that to this day shapes the holiday we now know as Halloween. Footsteps in the Forest will bring this fun and immersive Halloween experience to life through costumed characters, spectacular illuminations, and mythical storytelling. Visitors will go along a self-guided, illuminated trail that will take them on the journey from the origins of Samhain to modern day Halloween. To bring a mystical quality to the experience, the event will be held in the evening enthralling and capturing the imaginations of all ages.

The event will start at 7pm on Thursday 26th October and includes a self-guided trail.
